MEMORANDUM

TO: Members and Prospective Members of the Communications Subcommittee,  
Skyline House Owner Involvement Committee

As you know if you attended the last meeting of the Owner Involvement Committee on July 15, the Communications Subcommittee has scarcely got its feet off the ground and needs (1) more workers, (2) more ideas, (3) a newsletter editor and (4) a chairperson. If you can offer any of those, please attend a planning and organizing meeting of the subcommittee

WHERE: Card Room, Skyline House West penthouse  
WHEN: Tuesday, August 5, 1980  
TIME: 8 P.M.

We believe that a newsletter is a very important feature of the Skyline House community and we would like to see the subcommittee publish a newsletter on at least a monthly basis. In addition, the subcommittee must decide what additional forms of communication should be the responsibility or goal of the subcommittee.

Please attend and share your skills and/or enthusiasm. If you have any questions, please call Anna L. Gilreath, #1515W, 671-4536, or Allan Lund, #1701W, 820-0577.
